

Model Code F2619

date of issue 30-06-20 revision 01
revision of 14-02-23 (the present replaces any previous versions)

Designer: Centro studi calia

Structure: beech-wood, multilayer and metal, covered with a protective thermo-bonded textile fabric coupled with cloth.

Spring system: elastic webbing

Seat Padding: seat cushions in ecologic polyurethane foam covered with micromax (high resilient synthetic fiberfill).

Back Padding: maxi backrests (AG6) in ecological polyurethane foam covered with micromax ((high resilient synthetic fiberfill), internally weighted down.

Arm Interior: armrest (870) in ecological polyurethane foam covered with micromax (high resilient synthetic fiberfill), internally weighted down.

Removability: entirely removable fabric or microfiber covers (art. Ginevra). Loose cushions on leather versions; the base, in art. Ginevra, features removable covers.

Sewing: cuts and sewing on leather coverings differ from cuts and sewing on microfiber coverings (line drawings show cuts on leather versions). All coverings (leather, fabric and microfiber) feature a decorative sewing called n. 8_1 AGO (needle) on seat cushions, backrests and armrests, also available with contrast stitching in the colors available.

Components: end "terminal" versions feature a prolonged area of the sofa base, that can be used as a support surface. "Coffee table terminal" versions are also equipped with a coffee table element in metal with marble texture effect and structure in copper finish; alternatively, it is also possible to choose among the following finishes: satinized, titanium and graubraun. Upon request and with a price upcharge, it is possible to order the coffee table layer in glass with bronze finish.

Standard feet: the model is lifted 13,5 cm off the floor. Metal feet with standard copper finish. Alternatively, it is also possible to choose among shiny, satinized, titanium or graubraun finish. Some versions may be equipped with hidden feet with a supporting structural function.

Optional versions: maxi backrest (AG6) and armrest (870). Backrests and armrests can be adjusted to meet any comfort needs.

Please note: leather covers come in combination with Ginevra, a soft, suede-effect microfiber fabric. Fabric Ginevra entirely covers the base of the model. The color of the Ginevra fabric is not always identical to the color of the leather; it does however match with it ("tone-on-tone"). Alternatively customers may choose the desired color match and indicate their color choice on the order. Colors available for this article are shown in a designated Ginevra's folder. Model not feasible with NIRVANA leather.

With the reservation of carrying for production purposes and without advanced notices modifications on the materials, coverings and dimensions of the product as indicated in the relevant specification. The given dimensions and volume are of indicative value being subject to the production process tolerances. For normal use, the following maximum loads are recommended: Armchairs max. 120 kg, 2-seat sofas max. 200 kg (2x100 kg), 3-seat sofas max. 240 kg (3x80 kg). Use with loads exceeding the indicated values may cause the sofa/armchair or its components to break.

Density of seat and back kg/cbm (±5%) ⁽¹⁾

Markets	Seat	Back
I	35 Medium	30
D - NL - CH		
USA - California		
GB	37 fire retardant	37 fire retardant
Others	35 Medium	30

Note: when no values/contents are specified in the chart, please refer to 'Others' field/area.

⁽¹⁾Density: volume mass apparently determined on materials without any kind of covers and according to the UNI EN ISO 845 regulations. Indicated values refer to production averages; the Company reserves the right, if needed, to make changes to the declared technical characteristics. Before use, it is advisable to look at the SAFETY INFORMATION TECHNIQUE for info regarding use and protection of people and of the environment, in compliance with existing EEC regulations.
