Lady is a water-repellent fabric; it is placed on the back cushions' and lumbar supports' rear parts and covers the structure supporting the back (lumbar support and inner side of the panel). The pre-arranged color of fabric Lady is not always identical to the color of the leather; it does however match with it ("tone-on-tone"). Alternatively customers may choose the desired color match and indicate their color choice on the order. The colors available for this article are shown in the Lady's folder.
